

HOLIDAY HILLS UMC NEWSLINK FEBRUARY 2020

Pastor's notes:

As I sit here in the quietness of my home's "Upper Room", where I come to meditate, my thoughts are on our Body of Christ! As for me, I'm very happy. I recall a few years back, at the beginning of our "The Daniel Plan", we were asked to make an assessment of our Faith, Food, Fitness, Focus & Friends. And you know, I was pretty satisfied, except my personal weight/fitness. I am still consuming too many calories!!! But my main concerns now are on the division of people in our country both for our country leadership and the UM church. Please take a few moments each day to pray for our UM General Conference coming up in May. We will, of course, keep you updated on any latest developments.

God designed our bodies (both personal & the Body of Christ) to be healthy, providing everything we need to thrive and live abundantly. The Bible says, "Love never gives up, never loses faith, is always hopeful, and endures through every circumstance" (I Corinthians 13:7). It is Love---not fear, not guilt, and not peer pressure that causes us to keep going when we feel like giving up.

We must continue to make a conscious effort to know God and to draw closer to Him. The busier our life becomes, and greater the division, the greater need for contact with God. God established the church for us to Worship as a vital body of Christ. In the same manner, God wants all of us to be physically healthy so we will have the energy and alertness to serve him.

It is through the church, through the ministry of the Word and the sacraments, that God makes known His glory to us. Within the church's strong embrace, we are brought into communion with our Lord and behold the beauty of His grace. To receive a feeling of joy and victory, we must feel deeply the glory of life and of things to come. There must be expectations, anticipations, confidence, optimism, gladness, hope, love and joy. Life is good when we accept that God created and sustains us by His Love. Worship for the body of Christ is the same as exercise for our individual bodies.

With God's help and your encouragement, I plan to improve my physical well-being this year. I pray that you will improve the well-being of this Body of Christ by your Prayers, Your Presence, your gifts, your service and your witness.

Dear friends, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well (3 John 2). Pray for our UM church and our country!

God Bless each of you,

Pastor Dan
